MONTHLY NEWS BULLETIN
ISSUE – VIII, NOVEMBER EDITION

MESSAGE FROM PRINCIPAL'S DESK....

*Good, better, best . Never Let It Rest . Till your Good Is Better
And Your Better Is Best .*

-- St. Jerome

Dear Parents , Children & Well-wishers

Greetings to you all from DPS Paradip Refinery!!

With festival spirits in the air and cold breeze in the weather, our students enjoyed the month of November with many celebrations. Among them the two very important events were Children's Day and Grand Parent's Day celebrations. Children are the precious treasures on earth. Every individual plays a vital role in the upbringing of the children with love, care and affection by providing them the basic education.

to be continue...

*Children are the flowers from heaven. Let's make this world
a safe and enjoyable place for our kids.*

On the other hand Grand Parents' Day was celebrated to inculcate grandparent's role in children's life. Having grandparents is one of the best gifts by God for their grandchildren. They sometimes become our favourite chef, a storyteller, a teacher, a play mate and many more. Our beloved grandparents bestow us with their unconditional love in every way possible. They have sacrificed their entire lives in making us a better human being in establishing us in this position and also moulded us by teaching the moral principles. As educators and parents it's our prior duty to pass on to next generation to give respect and love to our elders.

Besides these activities, our students are also appearing for exams like Periodic Test – III, Mock Test – II and Board examinations. Keeping the Covid protocols as our prime concern exams, classes and activities are being conducted in virtual as well as physical mode. I hope that all my students have been consistently preparing for exams, learning, pushing their boundaries and challenging themselves beyond their comfort zone. It's absolutely essential to challenge oneself and ensure that we move from just 'being good, to becoming better and striving to be the best'.

With Warm Regards

DIWALI CELEBRATION

*With the gleam of Diyas and the echo of the chants,
A festival full of sweet and childhood memories*

The sky is shining brightly and the mouth is full of sweets,

A house full of diyas and a heart full of joy and contentment.

The festival spiritually signifies the victory of light over darkness, knowledge over ignorance, good over evil, and hope over despair.

DPS Paradip Refinery celebrated Diwali with great zeal and enthusiasm on 3rd November 2021. The programme started with prayer at 12.30 p.m in the afternoon. Our school auditorium was fully decorated with lights, candles, and art work. The children performed very well. Various programmes like dance performance, Nukkad Natak, skit, and recitation were presented one after the other by the students.

*May this Diwali fill into our lives new hopes for the future and
new dreams for tomorrow.*

DELHI PUBLIC SCHOOL PARADIP REFINERY

The function culminated with a message by the Principal, who offered his warm wishes to the children and reiterated that they should celebrate pollution-free Diwali in its purest form by lighting the lamps and sharing with the less fortunate. He also wished for the light within everyone to shine brightly. The day came to an end with lots of joy and happiness sparkling on the faces of everyone.

Let each diya bring a glow of happiness on your face and enlighten your soul.

CHILDREN'S DAY CELEBRATION

November 14 is celebrated as Children's day in India. The day marks the birth anniversary of Pandit Jawaharlal Nehru, fondly remembered as Chacha Nehru. He was India's first Prime Minister. His love for children earned him the title "Chacha Nehru". His birth anniversary is commemorated as a tribute to his contribution towards the development of the nation and his love for children.

Amidst the pandemic, DPS Paradip Refinery celebrated this day with great enthusiasm on 13th November 2021. The whole event was meticulously planned by the teachers and other staff members under the guidance of Principal Jagneswar Bora sir.

The program commenced with an introductory speech by Mr. Alok Gejo and Ms. Soubhagini Digal. Both of them bristled with the plethora of events by their resounding voices. Principal Sir urged the students to imbibe values and morality to their lives through self realization.

Let us sacrifice our today so that our children can have a better tomorrow.

The cultural programme unfolded with a dance performance invoking the blessings of God.

The entire programme culminated with the school anthem followed by the national anthem. This celebration will always remain a beautiful memory in the hearts of one and all connected with this event physically and virtually.

It is the supreme art of the teacher to awaken joy in creative expression and knowledge.

GRAND PARENTS' DAY CELEBRATION

Grand Parents' Day was celebrated in DPS Paradip Refinery on 20th November 2021. A tree grows healthy and strong when its roots are strong. In the same way, a family becomes strong under the special protection and blessings of grandparents. They play a vital role in giving us a bright future. They are the best friends of our tiny tots. They are the source of an endless collection of stories and the greatest support for all the mischiefs.

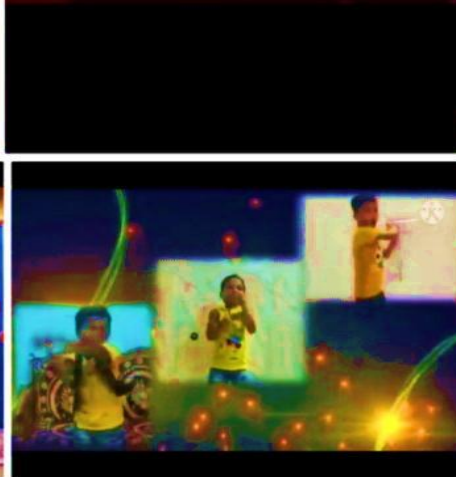

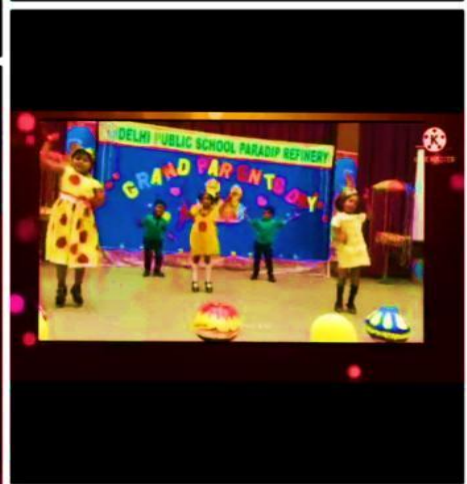

They are the people we should care for. The company of their grandparents is God's best gift to the grandchildren. And to show our gratitude, we celebrate grandparents' day every year with grandeur in the DPS Paradip Refinery.

Grandparents fill the world with affection and unconditional love.
