MONTHLY NEWS BULLETIN
ISSUE – IX, DECEMBER EDITION

MESSAGE FROM PRINCIPAL'S DESK....

“No life ever grows great until it is focused , dedicated and disciplined.”

**Dear Parents , Children & Well-wishers
Greetings to you all from DPS Paradip Refinery!!**

I wish you all a very Happy and Prosperous New Year- 2022. New beginnings are always exciting and I hope that all my students are looking forward to start this year with new hopes , new beliefs and new resolutions. It is a matter of great pride that Delhi Public School Paradip Refinery organized a formal programme on occasion of NCC Raising Day ceremony on 24/12/2021 in the campus.

to be continue...

Education is the most powerful weapon you can use to change the world.

Twenty five students of our school were selected for the National Cadet Corps. It's an opportunity for them to develop with the motto of "Unity and Discipline". They also will be able to understand their responsibility to serve the society.

The school successfully conducted Term -1 Board examination for classes X & XII by strictly following the CBSE guidelines. There were several events organized in the school like Christmas celebration , Inter-House competitions etc. Keeping the Covid protocols as our prime concern, exams, classes and activities were conducted physically as well as through virtual mode.

Looking forward for a fruitful year ahead with many more reasons to smile.

With Warm Regards

Jagneswar Bora
Principal, DPS PR

You don't have to be great to start, but you have to start to be great.

NCC – RAISING DAY CEREMONY

NCC Raising Day ceremony was held on 24th December, 2021 at Delhi Public School Paradip Refinery and it was indeed a red-letter day for our school as eminent persons like Mr. V.S Jain , ED&RH, PVC, DPSPDR, Mr. A.K Bhagawati,CGM, HR and Commanding Officer 1st ODISHA battalion NCC Cuttack, Col. Sanjeev Dewan graced the occasion with their presence. Ever since the inception of the school ,our attempt is to broaden our spectrum and provide ample opportunities for our Dipsites to blossom. Our association with NCC will not just provide a good platform to our dipsites but also nurture them to grow up as fearless, and self reliant citizens who would be responsible for shaping up a better future of our society and country as a whole. Venturing upon a new journey with NCC, will give a new meaning and add a new dimension to our motto “Service Before Self.”

CHRISTMAS CELEBRATION

“Christmas waves a magic wand over this world, and behold, everything is softer and more beautiful.”

- Norman Vincent Peale

This year on 24th December our school organized a programme to celebrate Christmas. The celebration was held in our school auditorium. The entire auditorium was festooned with balloons, streamers and flowers etc. All the students and faculty members were very excited and full of enthusiasm for the celebration. The atmosphere was that of festivity and jubilation. Each individual could feel the joy and experience a sense of relief which had been snapped away from them due to the pandemic. Positivity and the serene ambience infused everyone with renewed zeal to begin the New Year with much hope and happiness. The sounds of melodious carols and laughter of the children resonated in the campus all through the event. A series of colourful cultural events kept the audience enthralled and engaged. The presence of Santa Claus symbolized the coming of good days with the advent of the new year.

The future belongs to those who believe in the beauty of their dreams.

As Christ is the saviour of all mankind, so it is believed that the year ahead would be a prosperous one and people across the globe would be safe and protected from all kinds of miseries and evil. Keeping in with the traditional practice of our school, candles were lighted and cake was cut and one could not help but dance to the tune of *jingle bells* playing in the background. May our prayers heal the people of the world.

Coming together is the beginning, keeping together is progress and working together is success.

Condolences Poured over General Bipin Rawat's Death

"Who dares, wins. Who sweats, wins. Who plans, wins."

General Bipin Rawat was an Indian military officer who was a four-star general of the Indian Army. He served as the first Chief of Defence Staff (CDS) of the Indian Armed Forces from January 2020 until his death in a helicopter crash in December 2021. Prior to taking over as the CDS, he served as the 57th Chairman of the Chiefs of Staff Committee as well as 26th Chief of Army Staff of the Indian Army.

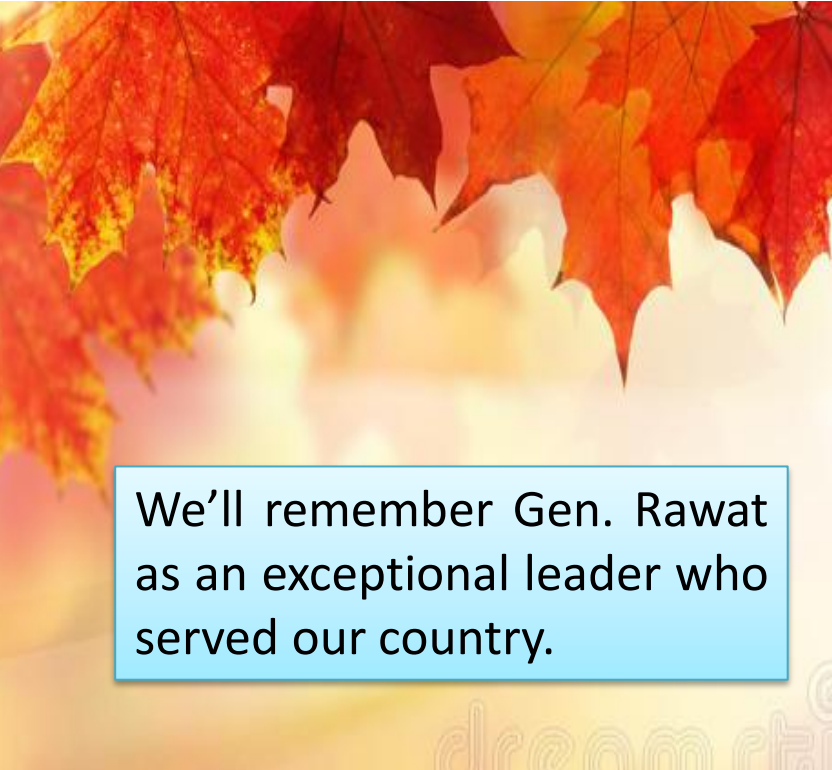

As India's Chief of Defence Staff, he ruffled many feathers as he lumbered to modernize and streamline the country's armed forces. During his career of nearly 43 years, he was awarded for gallantry and distinguished service with the Param Vishisht Seva Medal, UttamYudh Seva Medal, Ati Vishisht Seva Medal, Yudh Seva Medal, Sena Medal, Vishisht Seva Medal, the COAS Commendation on two occasions.

With profound grief and heavy heart, as a tribute to General Bipin Rawat, DPS Paradip Refinery stood to convey deep condolences on the deaths of Indian Chief of Defence Staff General Rawat, his wife, and others who perished in the mishap in the noon of 8 December 2021.

*Coming together is the beginning, keeping together is progress
and working together is success.*

AZADI KA AMRIT MAHOTSAV

Postcards were written and sent by our students to promote the Department of Posts' **75 lakhs postcard campaign** initiated as a part of **Azadi ka Amrit Mahotsav** by the government of India.

Believe in yourself. You are braver than you think, more talented than you know, and capable of more than you imagine.

INTER HOUSE COMPETITION

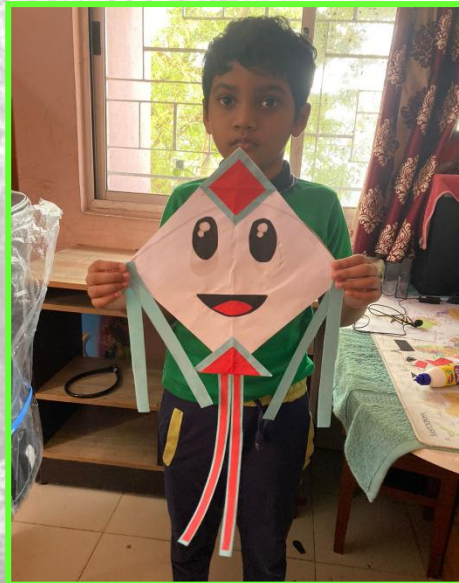

Kite making and flying used to be a favourite leisure activity for most of the Indians for ages ,it still continues to occupy a special place in the hearts of rural India . But with the coming of age, such practices have taken a back seat and have been replaced by video games which have emerged to be a new hobby for the next generation kids. But we at DPS believe in holding onto our roots , to familiarize the present generation with this creative activity an Inter House Kite Making Competition was organized on 18.12.2021.

The students of classes III - V participated in the Inter House Sport's Quiz Competition and proved that it requires a person to be both physically as well as mentally fit to be a good sportsman.

The students of classes VI – VIII showed everyone that *Any Body Can Dance* by participating in the Inter House Fusion Dance competition on Ek Bharat Shreshth Bharat .

We are what we repeatedly do. Excellence then, is not an act, but a habit.

INTER HOUSE KITE MAKING COMPETITION

Motivating students to work at their full potential is the main premise of successful teamwork.

Snowman Making by Class - I

Punctuality is the first step towards success.

Card making by Class- Pre-Nursery

Becoming number one is easier than remaining number one.

Christmas Tree Making by Class Nursery

When you compete against everyone else, no one wants to help you. But when you compete against yourself, everyone wants to help you.

Christmas Tree Decoration by Class Prep

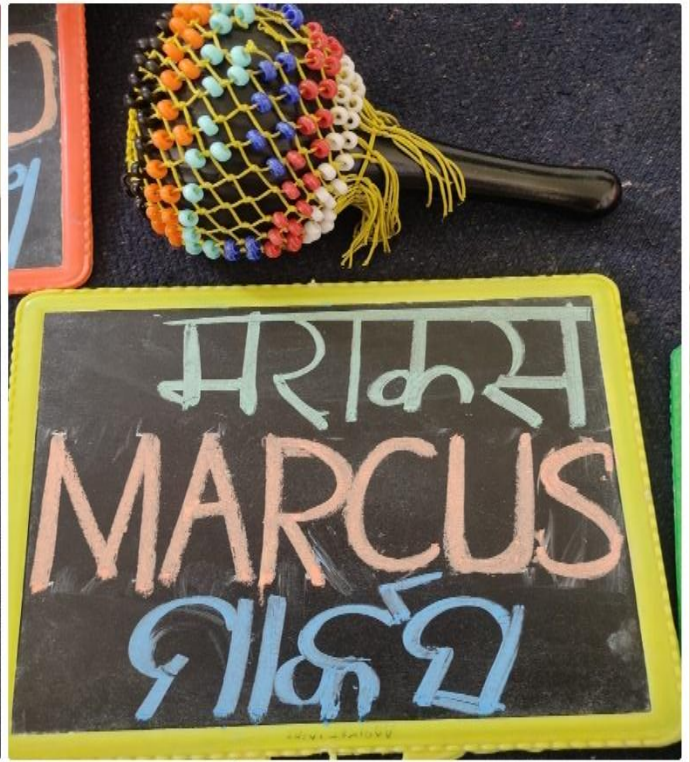

You are never a loser until you quit trying.

Santa Face Craft by Class II

Success is not final, failure is not fatal: it is the courage to continue that counts.

EXHIBITION CORNER

The strongest people aren't always the people who win, but the people who don't give up when they lose.
