We make sure that our students are rooted in the values of Indian culture and yet maintain a global outlook. It's our promise to make them not only successful human beings but also good human beings. We aspire to provide quality education to all by following the New Education Policy-2020 , with a well balanced and relevant curriculum.

We are happy to share that a reputed institution – Resonance from Kota has accepted our proposal to partner with us and to help our dipsites carve their own niche by preparing them through integrated coaching classes for IIT JEE/ NEET for the session 2022-23.

The parents are the most strengthening power in moulding the future of children. Their consistent support empowers us to do more and more .The active participation and involvement of the teachers and parents can create a positive environment for every student. As Nelson Mandela said “ Education is the most powerful weapon , which you can use to change the world .” And I am sure that our students will make all of us very proud.

With Warm Regards

INTERNATIONAL WOMEN'S DAY CELEBRATION-LET'S CELEBRATE WOMANHOOD

Every year, International Women's Day is celebrated on March 8 across the world. It's a day when everyone shows appreciation, love and respect towards women. A woman is said to be a beautiful creation of God! It is a fact that all the great personalities are born from a woman's womb and have taken their initial teachings from a woman. It's a day celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for accelerating gender parity. The theme of International Women's Day 2022, as decided by the United Nations, is 'Gender Equality for a Sustainable tomorrow'. Keeping in view the above line, Delhi Public School Paradip Refinery organised a programme on the occasion of International Women's Day. The teaching and non-teaching female staff of the school were felicitated during the programme. All the arrangements, decoration and planning of the events were carried out by the menfolk of the school under the supervision of the Principal. All the ladies of the school were filled with a sense of complacency for a wonderful tribute attributed to them by their colleagues.

A strong woman stands up for herself. The strongest woman stands up for everyone else.

TWO STATES – A VISIT TO REMEMBER

The famous “Panchasura” troupe from Guwahati, Assam visited our school on 25.03.2022 and there was a brief interaction among the members of the troupe and the staff of DPSPR. Mrs . Chetana Das, a famous artist and veteran actress from the Assamese film industry and a renowned director and singer Mr. Probin Saikia also accompanied the troupe. The perfect amalgamation of two states and two cultures was a treat to watch.

As these children embarked upon a new journey the joy on their parents' faces and the zealous attitude of the little ones were priceless .
