## MESSAGE FROM PRINCIPAL'S DESK....

**“Start by doing what’s necessary; then do what’s possible; and suddenly you will be doing the impossible.”**

**Dear Parents , Children & Well-wishers**

**Greetings to you all from DPS Paradip Refinery!!**

“April showers bring May flowers.” Most people are familiar with this saying. The month of May is filled with the sounds of birds, the smell of fresh flowers and summer breezes from time to time. There's growing anticipation of backyard barbecue get together, outdoor activities and beach parties. The most yearning is on the horizon and that's your summer vacation. It's obvious that you all have geared up and premeditated about your visits and leisure activities back in homeland with your near and dear ones. This time, spend your holidays being extra vibrant in undertaking your plans, so that your vacation is made purposeful.

to be continue...

*All our dreams can come true if we have the courage to pursue them.*

On the other hand, spend your free time completing your holiday assignments and prepare for your first periodic tests. Invest much of your time to develop your skills and hobbies.

Try being friendly and benevolent whenever required to all and do take part in family reunions, thereby strengthen your family bond. Consume healthy food and drinks. Take care of your health. Avoid hanging out to eateries for instant food items, instead rely on homely food so that you don't fall prey to severe health related issues. Look out for ways to erode your monotonous routine by taking up sportive and vigorous activities like swimming, cycling, jogging and any other sport of your choice.

Once again we wish you a pleasant vacation ahead. Hope you will all make every single moment cheerful and memorable and return back with loads of experiences to share with your friends and teachers.

**Stay Safe. Stay Calm. Stay Healthy**

With Warm Regards

**Jagneswar Bora**  
Principal, DPS PR
