**Dear Parents , Children & Well-wishers
Greetings to you all from DPS Paradip Refinery!!**

We have stepped into the second month of the year 2023 and are fast progressing towards the end of academic session. It is again that time of the year when our prime goal is to remain focused on the assiduous academic endeavors. The teachers of primary and middle school are diligently preparing for the upcoming annual examination.

Our senior school students of Grade X and XII are gearing up to take up their Board Examination. I am sure they are in their top-notch form and will give their best. As we all know the thought of examination builds tremendous pressure in the minds of our children, it is very essential that we help them stay relaxed and positive.

to be continue...

Even if you are on the right track, you'll get run over if you just sit there.

DELHI PUBLIC SCHOOL PARADIP REFINERY

It has been an eventful month celebrating very important days of Indian history. The 74th Republic Day was celebrated with great patriotism and honour for the country. Children expressed these through myriads of activities conducted here. Our students also participated in the march past as well as cultural events conducted in IOCL stadium on the same day. Parents and students had gathered to receive blessings on “Saraswati Puja” at the School campus. Students too observed National Youth Day and Netaji Jayanti.

Pariksha Pe Charcha is an annual event where honorable prime minister Mr. Narendra Modi interacts with students providing tips for stress free board examination. Our students joined online live program and were enlightened with his realistic examples.

I wish good luck to all of you for the fast approaching exam. Let the Almighty God shower His mercy on all to pass out the examination with flying colours and bring immense kudos to our institution.

With Warm Regards
