MESSAGE FROM PRINCIPAL'S DESK....

*"The purpose of education is to turn mirrors into windows."
- Sydney J. Harris*

**Dear Parents , Children & Well-wishers
Greetings to you all from DPS Paradip Refinery!!**

As we stand on the threshold of a new academic session, I extend a very warm welcome to all my students, especially the ones who have joined us in this session. Each new academic year is a new height scaled, another dream realized and new targets set for the future. Each member of this institution is devoted to turn dreams and aspirations into reality through sincerity and perseverance.

We believe in giving our students strong values along with a set of wings that may carry them far and wide. Besides rigorous scholastic programs, we seek to develop and nurture the different facets of a child. From academics to dance, theatre, music, and a variety of sports, we focus on developing both the mental and physical abilities of a student according to the New Education Policy.

to be continue...

Even if you are on the right track, you'll get run over if you just sit there.

DELHI PUBLIC SCHOOL PARADIP REFINERY

Hope this year brings forth immense prosperity and glory . May you all be able to actualize your yearning dreams and aspirations.

I take this opportunity to thank all our stakeholders, especially parents, who have unconditionally trusted us and wholeheartedly supported the school. We shall keep working on providing a safe, conducive, and welcoming school environment that will support learning. We, as a team, will truly encourage positive communication and interaction among students, teachers, and the wider community.

With the paradigms of education ever changing, let's take the arc of history in our hands and bend it towards a better tomorrow in imaginative and innovative ways.
