MESSAGE FROM PRINCIPAL'S DESK....

"A clear vision, backed by definite plans, gives one a tremendous feeling of confidence and personal power." - Brian Tracy

**Dear Parents , Children & Well-wishers
Greetings to you all from DPS Paradip Refinery!!**

The most yearning moment is on the horizon and that's your Summer Vacation of one month. It's obvious that you have all geared up and premeditated about your visits and leisure activities back in homeland with your near and dear ones. Spend your holidays by being more sociable and extra vibrant in undertaking your plans, so that your vacation is made purposeful. To begin with, optimize every precious moment prudently by absorbing yourself in reading informative and enlightening books and resort to books on parables, so that you relate and apply them in

real life. Consume healthy food and drinks and take care of your health by not binging on hazardous eatables. Avoid hanging out to eateries for instant food items, instead rely on homemade foods so that you don't fall prey to severe health related issues.

to be continue...

All our dreams can come true if we have the courage to pursue them.
